

Invitation to the 69th TID 2026

14.11.2025

Dear friends of the Danube Tour,

At the international TID-Conference in Komarno, Slovakia in October 2025 the time schedule and the details of the tour were fixed. The 69th TID will start 20th June 2026 in Ingolstadt (Germany) and end 30th August 2026 in Braila/Romania.

All organizers wanted to include the Romanian leg of the TID again, like last year, as far as possible concerning the security situation. The tour will be continued to Braila, kilometer 172 of the Danube. So it ends again about 40 kilometers before the Ukrainian border.

There will be no major changes of stages. The rest day in Bulgaria will probably be shifted to Ruse and in Braila an extra day is planned for site seeing.

Some fees had to be raised moderately and the Romanian organizers need the full amount for the shortened leg in their country due to the long forced break.

For the whole of the trip life jackets/PFDs have to be on board and be worn if recommended or ordered by the people in charge.

Bus transfers

The tour will end in Braila/Romania like in the last two years. All bus transfers will remain unchanged. The bus transfer from Coswig/Anhalt to Vidin, via Leipzig and back will be offered again. The bus back will only be offered if enough participants choose this option.

Details regarding buses, destinations, dates, and arrival and departure times can be found on our website. Departure and arrival times are subject to change following coordination with the bus companies. We will update this information on the website.

Due to the availability of frequent bus transfers the TID can be divided in 2 to 4 week legs, so people with time restrictions can join in.

The registration will be open on our homepage www.tour-international-danubien.de 19th January to 30th April 2026. The deadline for the return bus trip from Braila to Leipzig or Coswig will be the 28th February 2026.

We are looking forward to your registration and to meeting you or seeing you again. Together we will experience a wonderful TID 2026.
